

RANGELAND AND SOIL HEALTH TOUR

**Oct. 6 – 1:30 p.m. CDT
North of Highmore, SD**

**DAYBREAK RANCH
JIM FAULSTICH**

Don't miss this opportunity to learn from producers and experts, ask questions, discuss strategies, and identify new soil health and rangeland management practices for your operation!

Participants will learn how:

- Plant diversity is linked to water infiltration.
- Cover crops can provide grazing and improve soil health.
- Management practices can increase plant diversity.
- Rangeland and soil health strategies can work for you.

Directions: From Highmore, take Hwy 47 north to 186th St., turn right and go 2 miles. Or, from Jct. of Hwy 47 and Hwy 26, go 6 miles south on Hwy 47, turn left and go 2 miles on 186th St.

This event is free to all 2020 members of the South Dakota Soil Health Coalition or South Dakota Grassland Coalition. Other attendees must purchase a \$25/\$30 membership to attend.

For special accommodations, please contact Cindy Zenk, South Dakota Soil Health Coalition Coordinator, at 605-280-4190.
