www.SDGrass.org

*Grazing School participants will benefit from
hands-on experience in the field.*

The South Dakota Grassland Coalition will host the South Dakota grazing school in the Chamberlain area, September 14-16, 2021. Contact us at (605) 280-0127 or visit SDGrass.org for further information.

The Grazing School is designed for producers and anyone with an interest in learning how to best manage grasslands to benefit livestock.

The agenda features presenters from state and federal agencies, and universities. Area producers share their expertise about various topics related to grazing techniques and grassland management. Participants will hear presentations in the classroom and gain experience with hands-on activities in the field with a pasture allocation activities with cattle at the Totten Ranch.

Space is limited. Early registration is encouraged to participate.

The vision for the South Dakota Grazing School is:

*To offer grazing land managers of South Dakota useful tools to maintain healthy and diverse ecosystems
while optimizing available natural resources.*
