Presho, SD 57568

JOIN US TO ENSURE GRASSLANDS FOR FUTURE GENERATIONS

To ensure we deliver our mission for years to come,
please consider a lifetime membership. Your
membership assists us in delivering our annual grazing
schools, winter road shows and educational events.

As a nonprofit every dollar donated helps. We
appreciate all contributions!

Our members are producers and individuals who are passionate about grassland management. "Out-of-the-box", is a term often heard when SDGC members gather. They value innovative thinking and are open to new ideas for managing rangeland, livestock and wildlife that are cost effective, yet protect or improve the resource. They learn from each other and together.
