# PASTURE WALK

## J&M Ranch

Mitchell, SD

Tuesday, July 19 | 8AM-11:00 AM CDT

---

J&M Ranch's Pasture Walk will offer a unique look at an operation that functions on leased property that belongs to a "non-operating land owner" (NOLO). Mike and his family along with his brother-in-law manage their operation in a way that generates profit for them, and also improves the land for his NOLO. A win win situation for both parties.

Attendees to this walk will see how Mike and crew measure success and record change to show value added management for their NOLO. Other highlights include grazing management with soil health in mind and how that has changed their pastures ecologically and increased production to support their cow herd, as well as using prescribed fire as a tool to manage pasture and foster native plant communities.

Directions:

From Mitchell 255<sup>th</sup> Street East toward Mitchell Technical Institute. 255<sup>th</sup> turns into James River Rd and bends south. Follow James River Rd to "T" intersection and head east on 257<sup>th</sup> street. 1 mile east past the James River Bridge destination will be on the south side of the road.
