

SDGC ANNUAL MEETING

December 5, 2023
Rapid City, SD

FEATURING

Dave Pratt

Dave Pratt is one of the most sought-after speakers and respected authorities on sustainable ranching in North America. His programs have benefited thousands of families and millions of acres. He has extensively researched management intensive grazing and strategic issues impacting the profitability of ranches. Dave is dedicated to helping people transform their farms and ranches into sustainable businesses.

DAVE PRATT

Owner, Ranch Management Consultants, Inc.

Dave grew up on a small ranch and worked for cattle and sheep ranchers in Northern California where he learned ranching from the bottom up. In addition to his practical roots, Dave holds BS and MS degrees from the University of California and Washington State University. A Range and Livestock Advisor with the University of California Cooperative Extension Service for 15 years, Dave researched cell grazing and strategic issues impacting the sustainability of ranches.
