

FIRE EFFECTS TOUR

Sept 19

10AM - 12PM

Yankton Area

136 Heritage Drive,
Yankton, SD

1 ½ miles south of the
junction of Hgwy 50 & 52

Enhance the native plant **Community** & Eastern Red Cedar Control

The field day will address the results of the spring prescribed fire. We will explore what lessons we learned, habitat responses to timing and conditions, ecological effects, and whether our objectives were met. We also welcome participant questions and concerns.
