

FIRE EFFECTS TOUR

Sept 26

10AM - 12PM

Mitchell Area

South of I90 on Betts Road then west on 260th street to 401st Ave then north 1/2 mile

Grassland Restoration

The field day will address the results of the spring prescribed fire. We will explore what lessons we learned, habitat responses to timing and conditions, ecological effects, and whether our objectives were met. We also welcome participant questions and concerns.
