

JULY 22-24, 2025

Summit Grazing School

Connect with other ranchers and land stewards in a hands-on workshop built to sharpen your grazing strategies.

Discover how to set practical goals, assess pasture conditions, calculate stocking rates, improve grazing economics, plan fencing and water layouts, tackle weed issues, and a whole lot more.

COST

\$300 for current SDGC members or
\$335 for non-members

\$150 for additional attendees from the
same operation

***Fee includes all meals and materials*

Natural Resources Conservation Service

The USDA is an equal opportunity provider, employer, and lender.

REGISTER NOW

Join us at the **Grazing School** for peer-to-peer education that gives producers the tools they need for profitable, sustainable grass management that keeps grasslands on the landscape, ranchers ranching, and small towns thriving.
