ANNUAL CONFERENCE

EMPOWERING THE WHOLE FAMILY FOR EFFICIENT &
PRODUCTIVE LAND MANAGEMENT

December 4-5

The Box Events Center
631 *WaTiki Way*, Box Elder
South Dakota

ABOUT THE EVENT

Each year, the South Dakota Grassland Coalition hosts an annual meeting for it's members. We make it a priority to provide a high level of value to our members at each meeting by bringing in agricultural business professionals to educate and challenge our members to think outside the box.

This year officially marks the first annual 2-day Grassland Management Conference. We opted to move to a 2-day conference so that we could offer even more opportunities for growth, learning, and networking. This event is a fantastic opportunity for ranchers, land managers, and ag professionals to connect and learn strategies to improve profitability and ensure long-term success. This year's event will include 3 keynote sessions as well as multiple breakout sessions. Speakers will include Professional Speaker, Author, & Family Business Consultant, Jolene Brown; Ranch Consultant and Professional Speaker, Burke Teichert; Holistic Range Manager and Rancher, Jerry Doan; and, back by popular demand, Dr. Tom Noffsinger, DMV.

Event Highlight

Educate participants on making their operation more profitable

Help participants tackle the challenges of generational transition

Provide our members with networking opportunities

Offer Opportunities for the whole family to learn and grow
